

Solid Waste Management Plan of Bungamati is prepared through participatory approach in partnership with local governmental entity. This plan envisions a 'CLEAN AND GREEN BUNGAMATI'. This plan has a following mission:

- A. Bring together community, local government and relevant stakeholder to prioritize and engage in efficiently treating the wastes generated in Bungamati
- B. Set up an organizational system to ensure implementation and sustainability of solid waste management at Bungamati

Integrated Solid Waste Management strategy is adopted in this plan.

Waste Generation
1246 Kg/day

Organic Waste 822 Kg/day

Inorganic Waste

150 Kg/day
