ASEAN Forum on SCP: a work in progress

INDONESIA
November 2013
Outline

• ASEAN at a glance
• Member, Leader, Secretariat
• Focus area
• Technical subject
• Work management
• ASEAN Environment Ministers’ Joint Statement on SCP Implementation (Sep 2013)
• Work agenda
ASEAN at a glance

- Land-area: 4.46 million km²; 3% of total Earth
- Population: 600 million; 8% of world pop
- GDP: USD 2 trillion in 2011; 8th economy
- Soon, ASEAN Economic Community 2015
- ASEAN is a dynamic community and the implementation of SCP is fundamental to sustaining our development and achieving our prosperity.
Member, Leader, Secretariat

• All ASEAN Member States are invited to be members of the ASEAN Forum on SCP
• Representative(s) of AMS, preferably, from National Focal Point (NFP) registered to UNEP
• Leader: Indonesia
• Secretariat: Indonesia + UNEP
• Status in ASEAN: an activity under the purview of ASOEN (ASEAN Senior Officials on the Environment)
Focus area

• Facilitating experience sharing and cooperation on the implementation of SCP within ASEAN
• Facilitating experience sharing and cooperation on the implementation of SCP with ASEAN Dialogue Partners (ASEAN+3, ASEAN+6)
• Facilitating cooperation on the implementation of SCP with relevant UN Agencies and international partners
• Undertaking tasks assigned by ASOEN
Technical subject

• Interests on the implementation of SCP in ASEAN:
  - Ecolabelling, Green Public Procurement, etc

• Interests on 10YFP SCP:
  - Observing progress of 10YFP SCP and reviewing utilization of 10YFP SCP by ASEAN

• Interests on SCP and post-2015 development agenda and SDGs, including indicators
  - Sharing perspectives, and possibly drafting ASEAN statements, as relevant
Work management

• Face-to-face meeting: annual meeting
• Mailgroup work
• The Forum may establish Task Group(s) as and when necessary
• Reports to ASOEN
ASEAN Env. Ministers’ Joint Statement on SCP Implementation, 25 Sep 2013 (1)

• COMMIT to strengthen our cooperation within ASEAN and with ASEAN Dialogue Partners, relevant UN Agencies and other international partners on the implementation of Sustainable Consumption and Production
ASEAN Env. Ministers’ Joint Statement on SCP Implementation, 25 Sep 2013 (2)

• ENCOURAGE relevant stakeholders in ASEAN, including private sector and civil society, to enhance their contribution to sustainable development by continuously building its capacities, implementing best practices for Sustainable Consumption and Production, and promoting exemplary regional cooperation of the 10YFP activities, including through relevant ASEAN Bodies.
ASEAN Env. Ministers’ Joint Statement on SCP Implementation, 25 Sep 2013 (3)

• INVITE Dialogue Partners to provide necessary funding and technical assistance to the implementation of Sustainable Consumption and Production in ASEAN Member States through all channels including the Bali Strategic Plan for Technology Support and Capacity-building.

• CONTINUE the exchange of information, experiences, and best practices on Sustainable Consumption and Production.
Work Agenda

• Follow-up of the ASEAN Environment Ministers’ Joint Statement on SCP Implementation
• ASOEN guidance: integration of the ASEAN Forum on SCP and the ASEAN Working Group on Environmentally Sound Technology and Cleaner Production, both currently led by Indonesia
• Work program for 2014-2015 (to be developed)
• 9-10 December 2013, proposed meeting of the ASEAN Forum on SCP in Jakarta
